

List of Claims:

Claim 1. (Currently Amended) An aide to assist in the dispensing of center fed sheet products dispensed through a dispenser comprising:

A tab or tag;

A tab or tag being either part of the product being dispensed or from another source material, such as a plastic or poly strip. Or any other semi rigid or rigid material. Being attached by adhesive or mechanical means such as a metal or plastic staple attached during the manufacturing process to the proper corner or area of the sheet of the product to be dispensed on a cored or a coreless log roll before being placed in a device for the dispensing of such products as plastic dispensing container.

Claim 2. Claim 2 is cancelled.

Les Dooley
